

“Dual Use Roundtable” at Invulnerabilia 2025
Palazzo della Borsa | Sala delle Grida, Piazza De Ferrari
Genova June 13th, 2025, 14-15.30

This high-level session will bring together a carefully selected group of stakeholders—across industry, academia, and public institutions—to explore how geopolitical transitions since 2022 have reshaped the landscape of **dual-use technologies, critical materials, export controls, and international business risk**.

The roundtable will feature contributions from distinguished speakers including:

Dr. Marcello Irlando

Senior Technical Officer at Dual Use Division, National Authority U.A.M.A. – MAECI

Dr. Branislav Aleksic

LL.M. Eur., Head of Foreign Trade Law and Corporate Security Department

Head of Export Control and Corporate Security Department at Fraunhofer-Gesellschaft

Dr. Giulia Persico

Lawyer at Studio Tributario e Societario - Deloitte - Global Trade Advisory

Dr. Maurizio Castello

STMicroelectronics | Global Trade Compliance Organization | EMEA Trade Compliance Manager

Warm regards,

Fabrizio Barberis

Coordinator – Dual Use Roundtable
